

Non-Disclosure Agreement

Will be completed between the partners

Company

Street 00

City Zip Code/Country

and

up4distribution GmbH

Speicherstrasse 27

9053 Teufen / Appenzell Ausserrhoden / Schweiz

1. Preamble

Regarding to an already existing or yet to be negotiated collaboration with up4distribution, business models, confidential information, the data and documents will be presented and disclosed. For this purpose, a non-disclosure agreement will be issued.

2. Confidentially Obligation

Both parties oblige to keep all information, data and documents exchanged between up4distribution and the partner in course of the planned cooperation strictly confidential and not to disclose to third parties, unless these are explicitly approved and allowed by written consent. In cases where the contracting parties, for purpose of fulfilling their obligations and objectives, disclose information, which is otherwise subject to secrecy to third parties, are also obliged to conclude an identical non-disclosure agreement.

3. Confidential Information

Confidential information includes, in particular, all information, documents, computer programs, tools, as well all documentations, whether transmitted orally or written.

This includes: developments relating to a brand/ sales strategy, product planning, development or design, technical and financial data and customer names.

Non confidential information:

- Generally known third parties
- Information that becomes generally known in the process of cooperation
- Already known knowledge of third parties who were in possession of the confidentially agreement.
- Received information by a third party outside of this agreement

4. Duration

The Non-Disclosure Agreement will apply for the entire time of the cooperation.

In case of an early termination of the agreement, which has a notice period of three months and can be terminated at the end of a calendar month. The secrecy contains for a period of five years.

5. Return obligation of the documents

The contracting parties oblige immediately to return or destroy all documents, data mediums and information including all copies on data media or other electronic copies, received in the course of the cooperation from the other partner, which must be confirmed in writing.

6. Completeness of the agreement

The non-disclosure agreement contains all agreements made about the subject matter of the contract. Any changes and additions to this agreement must be made in writing and must be signed by both contracting parties in a legally binding manner.

7. Salvatorius Clause

If any provision should be void or ineffective, the remaining provisions remain unaffected. In place of the void or ineffective provision, a regulation has an effect, which comes closest to the intention and corresponds to the meaning and purpose of this non-disclosure agreement.

8. Contract Signature

The contract can be signed via electronic signature.

9. Jurisdiction

This non-disclosure agreement is governed by Swiss law.
